FEDERAL UNIVERSITY OF TECHNOLOGY, MINNA

GST 110 — Past Questions & Materials

by Renance

Course: GST 110

Institution: Federal University of Technology, Minna

Papers in this pack: 1

Levels: 100

This study pack was compiled and restructured by Renance for GST 110 students at Federal University of Technology, Minna. It brings together 1 past paper(s)/material(s) into one clean, readable document so you can revise without chasing scattered PDFs. Practise these same questions interactively on Renance with instant answers, AI explanations, and full CBT mock exams — over 235,000+ questions across JAMB, Post-UTME, WAEC, NECO and university courses.

Study online: renance.app

SCANNED PAST QUESTIONS, FUTMINNA

Downloaded free from ujuzi.com.ng

This ebook has been made available for free download for all
Students by the uJuzi-Project sponsored by Sterling Bank Plc.

USE OF ENGLISH

SCANNED PAST QUESTIONS

Past Questions Use of English

Past Questions Use of English

This eBook has been digitally prepared by the Content Management Team at
ujuzi.com.ng under the leadership of Ms Nelly Tomilola. Thus, this ebook is for the use
of anyone anywhere at no cost and with almost no restrictions whatsoever. You may
copy it, give it away or re-use it.

ujuzi.com.ng is an Online Educational Content distribution and delivery platform
managed and owned by Aspire Solutions and Innovations.

Our aim is that students should be able to go through university without having to pay for textbooks. We hope to achieve this by publishing free and openly available etextBooks.

How is this possible

We finance our textbooks with a low number of high quality advertisements. We have set a 15% advertising limit per book. This limit has been set together with professors, business professionals, and student organizations in order to ensure the whole experience is in line with the high quality level of our books.

Other platforms under the ujuzi bouquet are;

SS

-www.ujuzi-tv.com is an online Educational TV station that'll feature some of the best Educational and academic video content.

-www.ujuzi.com.ng/college is an online free courses college for all. We envision a future where everyone has access to a world-class education that has so far been available to a select few.

A: Failure to understand areas where questions are set

B: Not partaking in group reading

C: Inability to familiarize with how to attend to questions

31. In order to attend to issues of time in answering examination questions, you should.

A: Time each question to be answered

B: Put a watch beside you and watch it constantly

C: Give priority to questions that attract heavier marks

32. A good approach to answering examination questions is to begin with.....

A: Reading the questions

B: Reading the instructions

C: Locating the difficult questions

33. What type of communication is talking?

A: Verbal

B: Non-verbal

C: Written

34. What is communication?

A: It is a method of talking to people

B: It is speaking to other people

C: It is exchanging information with others

35. To establish a link between the subject taught and the library resources available is one of the objectives of.....

A: charging system

B: resources sharing

C: user education

36. Communication means sharing information between.....

A: man and other species

B: receiver and the decoder

C: sender and decoder

37. The three main types of library catalogue are.

A: author/title, subject and classifies catalogue

B: sheaf, subject and card catalogue

C: computer, sheaf and book catalogue

38. Channel and medium in communication are synonymous.

A: correct statement

B: incorrect statement

C: partially correct

39. Oral communication means.

A: communication by means of writing

B: Communication by words of mouth

C: communication by the use of the hands

40. Communication through non-use of words is called.

A: written communication

B: oral communication

C: non-verbal communication

41. Inability to use the verbal communication effectively results in.

A: physical noise

B: psychological noise

C: linguistics noise

42. For effective communication to take place, one of the following must be considered.

A: be rigid

B: be clear about what is intended

C: be expressive

43. A strategy in which similarities and differences between two things are examined is known as.....

A: classification

B: comparison/ contrast

C: summary

44.....is an intellectual work designed to check for specific information meant to be read and has an array of disjointed entries generally arranged in alphabetical order.

A: textbook

B: reference book

C: journals

45. Pick the odd item from the list below.

A: field trips

B: scanning

C: public talks

46. Pick the odd option from the list below.

A: psychological disposition

B: temperament

C: public address system

47. Bibliography and references are the same.

A: true

B: false

48. Channel and medium of communication are the same.

A: false

B: true

49. To outline and summarize similar activities.

A: yes

B: no

C: not sure
